**The interviews will be conducted on 1<sup>st</sup> Dec 2010 at IISER, Pune (9:00 a.m to 6:00 p.m)**

Project(s)

- (i) Molecular and genetic characterization of Drosophila and mouse Ataxin-2 binding protein 1 in the context of spinocerebellar Ataxia type 2.
- (ii) Modulation of the innate immune response by SUMOylation.

A common interview will be held for applications for a total of two positions for the projects listed above.

The interviews will be held on Wednesday, the 1st of Dec, 2010 between 9:00 a.m to 6:00 p.m. Please make yourself available at the venue at those times. Since the number of shortlisted candidates are still a large number as compared to the offered positions, we will conduct a preliminary written test to reduce the number of applicants to interview.

**VENUE:**

**Indian Institute of Science Education and Research (IISER)**  
**First floor, Central Tower, Sai Trinity Building**  
**Garware Circle, Sutarwadi, Pashan**  
**Pune, Maharashtra 411021, India**  
**Phone: +91 (20) 2590 8001**

We are unable to provide transport, accomodation or TA/DA for the purpose of your interview. Please write back to [bio\\_app@iiserpune.ac.in](mailto:bio_app@iiserpune.ac.in) in case you have questions or are not in a position to attend the interview.
