Instructions for the attendees

1. The Zoom links and the meeting ids and passwords have been sent to individual candidates over their email. In case you have not received the same, please write immediately to intphdbioiserpune@gmail.com. Please quote your name and application number.

2. If you have never used Zoom before, please check out this video for a quick tutorial:

https://www.youtube.com/watch?v=wo1l6ljz_wg

3. Please make sure that Zoom is working on your device and browser much before the interviews. If necessary, please change your device / browser. We have chosen Zoom because it is free for you, seems to be the most compatible software out there and is user-friendly. However, if Zoom is not working on your computer, we do not have a way of troubleshooting it. Therefore, it is your responsibility to make sure that the platform is working for you. Please note that you DO NOT need to buy a zoom subscription for attending this interview. You simply need to have the client installed on your computer/phone or be able to access it from the browser.

4. It is mandatory to have the video on during the online interview. Therefore, please make sure that your camera is working and you have sufficient data balance in your account. The use of a headphone is strongly recommended.

5. On the day of the interview:

a) Please join the meeting (by clicking on the Zoom Link) at least 30 minutes before the time allotted to you. Thus, if you have been given a time of say 10.00 AM, you should join latest by 9.30 AM. You should also plan to be around for at least 60 minutes after the scheduled time (i.e. till 11.00 AM in our example). This is because online interviews can sometimes finish earlier than expected and sometimes take more time. Therefore, we need to have buffer time, both before and after the scheduled time.

b) When you click the on the Zoom link and follow the messages on the screen, you shall get a final message which will say "Please wait, the meeting host will let you in soon". This means that you have reached the correct interview room (virtually) and is in the queue to be interviewed.

c) Once the interview is over, you can leave the zoom meeting.

6. In case you do not get interviewed even after one hour of your scheduled time, please drop an email to intphdbioiiserpune@gmail.com. Be sure to mention your application number and committee number when you write to us.

7. For absolute emergencies, please call 020-25908011 and state your problem. This number will be active from 0930-1330 on 20-21 July. Please note that this is NOT a tech support number, and will not be able to help with issues related to Zoom connection. Also, please do not call this number for your results, the person sitting here will have no idea!

8. The results of the first round of interviews will be declared on 22-July-2020, and the second round shall happen on 23-24 July 2020. Only the candidates who have been shortlisted for the next round shall be contacted. All candidates should therefore check the website for the details.

9. For queries, write to intphdbioiiserpune@gmail.com.
