

**ADVT. NO. : 23/2011**

**RECRUITMENT FOR THE POSITION OF “RESEARCH ASSISTANT”**

Indian Institute of Science Education and Research (IISER) Pune is a premier autonomous Institution established by the Ministry of Human Resource Development, Government of India, for promotion of high quality science education and research in the country.

Institute invites applications from highly motivated, bright candidates for working in the ongoing research projects in the Physical Chemistry division of the Indian Institute of Science Education and Research (IISER), Pune. We are looking for the candidates who are interested in doing research in the areas of **Experimental Spectroscopy and Computational/Theoretical Chemistry**.

**Eligibility criteria:** Candidates must have passed M. Sc. In Chemistry or Physics with minimum 60% marks or equivalent grade and have passed at least one of the national level examinations such as GATE, JEST, CSIR/UGC-NET/LS.

Applicants are requested to send their application with full details such as Personal, Educational Qualification, Experience, Research areas, publications etc. to [a.das@iiserpune.ac.in](mailto:a.das@iiserpune.ac.in) The candidates should mention “Physical Chemistry Research Application” in the subject line of their emails.

The list of shortlisted candidates for interviews will be put on the website under this advertisement. The selected candidate will be taken as “Research Assistant” who may also be engaged in teaching undergraduate Chemistry practical and tutorials.

There are opportunities for selected candidates to join regular Ph.D. program of IISER Pune in December 2011 if selected through Institute’s Ph. D. admission procedure.

**Last date of Application : September 28, 2011**

**Interview date for eligible candidates : October 13, 2011**

**Venue : IISER Pune, Sai Trinity Building,  
1<sup>st</sup> floor, Central Tower, Near  
Garware Circle, Pashan, Pune – 21**
