

ADVT. NO.: 07/2011

Recruitment for various posts under the funded projects

Indian Institute of Science Education and Research (IISER) Pune is a premier autonomous Institution established by the Ministry of Human Resource Development, Government of India, for promotion of high quality science education and research in the country.

Institute invites applications from Indian nationals for the following positions under the funded projects:

Name of the position	Project Assistant (II)
Title of the Project :	"Molecular and genetic characterization of Drosophila and mouse Ataxin-2 binding protein 1 in the context of spinocerebellar Ataxia type 2" funded by the Department of Science and Technology.
Project Code No.	30111050
Minimum prescribed educational Qualifications/experience	M.Sc. (Biology or allied Sciences). Minimum 60% marks/equivalent grade at Masters Level. Desirable: CSIR-NET qualification.
Preference	Preference will be given to candidates with good academic records and a background in evolutionary biology and statistical analysis
Job requirement	Work on experiments, data collection, analysis, and writing of manuscript
Tenure of the project	Initially for a period of one year, extendable for further period of two years subject to satisfactory performance of the incumbent and continuation of the study project.
Consolidated fixed emoluments per month	Rs. 12,000 + HRA as admissible
No. of positions to be filled up	One

The appointment will be purely on temporary basis and shall not be IISER-Pune appointment, temporary or otherwise and shall not entitle the appointee to any right/claim, implicit or explicit, for his/her consideration against any IISER-Pune post/fellowship.

The interviews will be conducted on 11th April 2011 at IISER, Sai Trinity Building Pashan, Pune-411021.

How to Apply :

Applicant should send the application by email addressed to bio_app@iiserpune.ac.in attaching duly filled **PA Application Form.Doc** available on the website under this advertisement on or before 31st March, 2011. Please mention name of the Post and Project Code in the subject line. The list of the shortlisted candidates for interviews with details of date, time and venue will be put up on the Institute website under this advertisement and candidates will be informed by email only.

The prescribed educational qualifications are the bare minimum and mere possession of same does not entitle candidates to be called for interview. Where number of applications received in response to this Notice of appointment is large, it will not be possible to interview all the candidates. Based on the recommendation of the Screening Committee, the Project Leader may restrict the number of candidates for interview to reasonable limits after taking into consideration qualifications and experience over and above the minimum qualifications prescribed in the advertisement. Therefore, it will be in the interest of the candidates, to mention all the qualifications and experience in the relevant field at the time of applying.

The candidates recommended by the Screening Committee to be called for interview would be informed through e-mail.

The candidates recommended by the Screening Committee should directly appear before the Selection Committee for an interview at IISER-Pune.

No TA/DA will be admissible for appearing for the interview. Selected candidates will have to join duty immediately on receipt of the offer. No TA/DA will be admissible for appearing for the interview. Selected candidates will have to join duty immediately on receipt of the offer.

Name of the position	Research Associate
Title of the Project	“Molecular and genetic characterization of Drosophila and mouse Ataxin-2 binding protein 1 in the context of spinocerebellar Ataxia type 2” funded by the Department of Science and Technology.
Project Code No.	30111050
Minimum prescribed educational Qualifications/experience	Ph.D. (Biology, Chemistry, Physics, Engineering or allied Sciences). Minimum 60% marks/equivalent grade at Masters Level.
Preference	Preference will be given to candidates with good academic / industry records and capable of managing a project independently.
Job requirement	Work with a team of graduate students and project assistants to characterize Drosophila and mouse Ataxin-2 binding protein 1 in the context of spinocerebellar Ataxia type 2.
Tenure of the project	Initially for a period of one year, extendable for further period of two years subject to satisfactory performance of the incumbent and continuation of the study project.
Consolidated fixed emoluments per month	Rs. 22,000/- to Rs. 24,000/- per month based on academic record and work experience of the candidate + HRA as admissible
No. of positions to be filled up	One

The appointment will be purely on temporary basis and shall not be IISER-Pune appointment, temporary or otherwise and shall not entitle the appointee to any right/claim, implicit or explicit, for his/her consideration against any IISER-Pune post/fellowship.

The interviews will be conducted in the 2nd /3rd Week of May 2011, at IISER, Sai Trinity Building Pashan, Pune - 411021. Exact dates will be communicated to the shortlisted candidates.
