### **Instructions for Online Bid Submission:**

This tender document has been published on the Central Public Procurement Portal ([URL:https://eprocure.gov.in/eprocure/app](https://eprocure.gov.in/eprocure/app)) & Institute website [www.iiserpune.ac.in](http://www.iiserpune.ac.in). The bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP Portal.

More information useful for submitting online bids on the CPP Portal may be obtained at:

<https://eprocure.gov.in/eprocure/app>

### **REGISTRATION**

1. Bidders are required to enroll on the e-Procurement module of the Central Public Procurement Portal ([URL:http://eprocure.gov.in/eprocure/app](http://eprocure.gov.in/eprocure/app)) by clicking on the link "Click here to Enroll". Enrolment on the CPP Portal is free of charge.
2. As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.
3. Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.
4. Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify / TCS / nCode / eMudhra etc.), with their profile.
5. Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSCs to others which may lead to misuse.
6. Bidder then logs in to the site through the secured log-in by entering their user ID / password and the password of the DSC / eToken.
7. The CPP Portal also has user manual with detailed guidelines on enrollment and participation in the online bidding process. Any queries related to process of online bids or queries related to CPP Portal may be directed to the 24x7 CPP Portal Helpdesk.
8. The Institute will not be responsible for any type of technical issue regarding uploading of Tender on website.

### **SEARCHING FOR TENDER DOCUMENTS**

1. There are various search options built in the CPP Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, organization name, location, date, value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as organization name, form of contract, location, date, other keywords etc. to search for a tender published on the CPP Portal.
2. Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective 'My Tenders' folder. This would enable the CPP Portal to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.
3. The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

### **PREPARATION OF BIDS**

1. Bidder should take into account any corrigendum published on the tender document before submitting their bids.
2. Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents - including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.
3. Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS formats. Bid documents may be scanned with 100 dpi with black and white option.
4. To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use "My Space" area available to them to upload such documents. These documents may be directly submitted from the "My Space" area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.

### **SUBMISSION OF BIDS**

1. Bidder should log into the site well in advance for bid submission so that he/she upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
2. The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
3. Financial Bids can be submitted in PDF format (As per Chapter 5).
4. The bidder may add rows to include the prices of all components & warranties, installation etc. whichever applicable.
5. The server time (which is displayed on the bidders' dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.
6. The uploaded tender documents become readable only after the tender opening by the authorized bid openers.
7. Upon the successful and timely submission of bids, the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.
8. Kindly add scanned PDF of all relevant documents in a single PDF file of compliance sheet.

### **ASSISTANCE TO BIDDERS**

- i. Any queries relating to the tender document and the terms and conditions contained therein should be addressed to the Tender Inviting Authority for a tender or the relevant contact person indicated in the tender.
- ii. Any queries relating to the process of online bid submission or queries relating to CPP Portal in general may be directed to the 24x7 CPP Portal Helpdesk. The contact number for the helpdesk is **0120-4200462, 0120-4001002, 91-8826246593**.

**CHAPTER 1**

**Tel: +91-020-25898017; Email: [purchase@iiserpune.ac.in](mailto:purchase@iiserpune.ac.in)**  
**Website: [www.iiserpune.ac.in](http://www.iiserpune.ac.in)**

#### **TENDER FEE & EARNEST MONEY DEPOSIT DETAILS**

- a) **Tender Fee of Rs. 1,180/- (Rs. One thousand One Hundred Eighty only)** in the form of Demand Draft from Nationalized/scheduled bank in favor of Director IISER Pune. The firm registered with NSIC/MSME as manufacturer for the supply of the same category of item for which the party is submitting quotation will be exempted from submission of FEE.
- b) **EMD of Rs. 1,60,000/-(Rs. One Lakh Sixty Thousand Only)** in the form of Bank guarantee (As per format enclosed as ANNEXURE- ‘C’) or Demand Draft of a scheduled bank in the name of Director IISER Pune valid for 180 days from the date of opening of the tender.
- c) **EMD and tender fee amount can be deposited in IISER PUNE Bank account through net banking as mentioned below.**  
**Name-Indian Institute of Science Education and Research Pune.**  
**Bank-State Bank of India**  
**Branch-NCL Campus Branch, PUNE 411008**  
**Current A/c No. 30042605732**  
**IFSC-SBIN0003552**

**Exemption from submission of EMD (Only for Indigenous Purchases in INR Only):**

Bidders registered with any of the following agencies/ bodies as per Public procurement policy for Micro & Small Enterprises (MSE) order 2012 are exempted categories from payment of EMD provided that the registration certificate issued by any one of these below mentioned agencies must be valid as on close date of tender. Micro small or medium enterprises who have applied for registration or renewal of registration with any of these agencies/bodies but have not obtained the valid certificate as on close date of tender are not eligible for exemption.

- 1) Khadi and Village Industries Commission (KVIC)
  - 2) National Small Industries Corporation (NSIC)
  - 3) Any other body specified by Ministry of MSME/GOI. To avail exemption it is mandatory to upload valid certificate.
- d) The firm registered with NSIC/MSME as manufacturer for the supply of the same category of item for which the party is submitting quotation will be exempted from submission of EMD. Intended parties will have to give proof of registration along with their quotation. EMD of the unsuccessful bidders shall be refunded without any interest at the earliest after finalization of the purchase of concerned item.
- i. The Bank Guarantee is insisted due to steep fluctuations in foreign exchange hence the foreign DD's are not accepted towards EMD. Bids submitted without EMD will stand rejected. EMD will not be accepted in the form of cash /cheque. No interest is payable on EMD.
  - ii. The EMD will be returned to the BIDDERS(s) whose offer is not accepted by IISER, PUNE within one month from the date of the placing of the final order(s) on the selected BIDDER(s). In case of the BIDDER(s) whose offer is accepted the EMD will be returned on submission of Bank Guarantee as Security Deposit (SD). However, if the return of EMD is delayed for any reason, no interest / penalty shall be payable to the BIDDERS.
  - iii. The successful BIDDER, on award of contract / order, must send the contract / order acceptance in writing, within 15 days of award of contract / order failing which the EMD will be forfeited.
  - iv. The EMD shall be forfeited: In case a successful BIDDER fails to furnish the Security Deposit.

**4. The technical offer should not contain any price information.**

**5. Specifications:**

Specifications are basic essence of the product. It must be ensured that the offers must be strictly as per our specifications. At the same time it must be kept in mind that merely copying our specifications in the quotation shall not make the parties eligible for consideration of the quotation. A quotation has to be supported with the printed technical leaflet/literature of the quoted model of the item by the quoting party/manufacturer and the specifications mentioned in the quotation must be reflected /supported by the printed technical leaflet/literature. Therefore the model quoted invariably be highlighted in the leaflet/literature enclosed with the quotation. Non-compliance of the above shall be treated as incomplete/ambiguous and the offer can be ignored without giving an opportunity for clarification/negotiation etc. to the quoting party.

6. **Compliance Statements:**

- a) Bidders must furnish a Compliance Statement of each and every required Specification of our tender in the format at ANNEXURE–‘B’. The deviations, if any, from the tendered specifications should be clearly brought out in the statement. Technical literature/leaflet showing the compliance of the specification may also be attached with the quotation.
- b) Similarly, the Compliance Statement/questionnaire for Terms & Conditions of the tender may be furnished, as per the enclosed format at Annexure –‘A’, along with quotation (with techno- commercial bid in case of two bid tender system).
- c) The firms are advised to submit both the compliance statements essentially along with their quotation failing which their offer may not be considered.

**Envelope 2 : “Commercial Bid” shall contain:**

- i. Cost of all the items should be mentioned clearly and individually in the Commercial Offer (Part-II) only.
- ii. The BIDDERS are requested to quote for Educational Institutional Price for Equipment and software, since we are eligible for the same.
- iii. The prices should be shown against each item for the purpose of Insurance claims / replacements if any.
- iv. List of deliverables / Bill of materials and services.
- v. In case of foreign quote, the address of Principal’s / Manufacturer’s and their Banker’s details should be furnished.
- vi. Annual Maintenance Certificate as per **Annexure –‘H’**.

**Note:**

- (i) No request for extension of due date will be considered under any circumstances.
- (ii) No sub-contracting is allowed with regard to installation, commissioning, training, warranty maintenance and after sales service. This is the sole responsibility of the Principals’/their authorized agents

7. IISER Pune may issue corrigendum to tender documents before due date of Submission of bid. The bidder is required to read the tender documents in conjunction with the corrigendum, if any, issued by IISER Pune. The bidder is not supposed to incorporate the amendment in the body of the tender document.

9. **BID OPENING**

- a) Technical Bids will be opened on 23/05/2022 at 14:00 Hrs.
- b) Financial Bids of the eligible bidders will be opened on a later date. The date and time for opening of Financial Bids will be announced later.
- c) Bids would be summarily rejected, if tender is submitted other than through online or **tender fee and EMD are not submitted within stipulated date / time**. IISER Pune shall not be responsible for any postal delay, Tender Fee before Tender closing date.

#### 9. Terms of the Technical Committee

- (i) On the due date the Technical bids will be opened and referred to the Technical Committee which is duly constituted by the Director, IISER, Pune. The committee will go through the technical aspects of the tender and recommend short listed firms. The recommendation of the technical committee is the final and binding on all the parties.
- (ii) The technical evaluation will be an assessment of the Technical Bid. IISER, Pune representatives will proceed through a detailed evaluation of the Technical Bids as defined in **Chapter IV (Schedule of requirements, specifications and allied technical details,** in order to determine whether they are substantially responsive to the requirements set forth in the tender. In order to reach such a determination, IISER, Pune will examine the information supplied by the BIDDERS, and shall evaluate the same as per the specifications mentioned in this tender.
- (iii) The technical committee may formulate evaluation criteria in addition to the specifications and requirements indicated in the tender, in the interest of IISER, Pune and this criteria/recommendation will also form as a part of short-listing of the firms.
- (iv) The Technical Committee will examine all the Technical aspects of the bids received. Further, the Technical Committee may seek additional information from the existing users at IISER, Pune or from other Institutes and also call for Technical presentations from the BIDDERS if it is required so.
- (v) The information received and the bids already submitted together will be examined with reference to the tendered specifications and evaluation is made by the Technical Committee.
- (vi) After the technical evaluation is completed and approved, IISER, Pune shall inform to the BIDDERS whose bids have been rejected technically with the reasons for rejection on e-Procurement Portal (<https://eprocure.gov.in/eprocure/app>).  
**The commercial offers of the vendors whose technical offers are found to be technically deficient or do not meet the qualification criteria as specified in this tender will be returned to them without opening along with their EMD.**
- (vii) The successful BIDDERS will be informed regarding the date and time of Commercial bid opening.
- (viii) The purpose of obtaining two bids (technical and commercial) is to evaluate all the firms on technical basis with reference to the tendered specifications, performance of similar Solutions/Applications elsewhere, obtaining users views with reference to the earlier supplies. This will enable the technical committee to arrive at a fair recommendation in the interest of the organization.
- (ix) In the event of seeking any clarification from various BIDDERS by IISER, Pune, the BIDDERS are required to furnish only technical clarifications that are asked for. No amendment to commercial bid will be entertained at that stage. In case if a BIDDER fails to quote for a particular item it amounts to non-compliance and hence such bid will not be considered for further evaluation. Further during this

process if any BIDDER indicates the price during the clarification such bids also will not be considered for further evaluation.

10. **Bid Evaluation :**

Based on results of the Technical evaluation IISER, Pune evaluates the Commercial Bid of those Bidders who qualify in the Technical evaluation .

- a) IISER Pune shall correct arithmetical errors on the following basis :
  - (i) If there is a discrepancy between the unit price and the line item total that is obtained by multiplying the unit price by the quantity, the unit price shall prevail and the line item total shall be corrected, unless in the opinion of the Purchaser there is an obvious misplacement of the decimal point in the unit price, in which case the line item total as quoted shall govern and the unit price shall be corrected .
  - (ii) If there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and
  - (iii) If there is a discrepancy between words & figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (i) and (ii) above .
- b) Selling exchange rate/equivalent to Indian currency will be as on the date of bid opening in the case of single bidding and the rate on the date of opening of the priced bids in the case of two-part bidding .
- c) **The bids shall be evaluated on the basis of final landing cost as per format given in Price Schedule in case of import / indigenous items .**
- d) The comparison between the indigenous and the foreign offers shall be made on FOR destination basis and CIF/CIP basis respectively . However the CIF/CIP prices quoted by any foreign bidders shall be loaded further as under :
  - Towards customs duty and other statutory levies—as per applicable rates .
  - Towards custom clearance, inland transportation etc. – 2% of the CIF/CIP value .
- e) Where the price quoted on FOB/FCA and CIF/CIP basis are the same, the Contract would be made on CIF/CIP basis only .
- f) The Vague terms like “packing, forwarding, transportation..... etc. extra” without mentioning the specific amount/percentage of these charges will not be accepted. **Such offers shall be treated as incomplete and rejected .**
- g) After arriving at final pricing of individual offers of all the short listed firms, the lowest firm will be awarded with Contract/Purchase Order .

11. The Director, IISER, PUNE reserves the right to accept the offer/tender in full or in parts or reject summarily or partly.

## **CHAPTER-2: INSTRUCTIONS TO BIDDERS**

### **1. PREPARATION AND SUBMISSION OF OFFERS:**

a) Quotation should be submitted directly by the original manufacturer/supplier or its sole authorized distributor/dealer/Indian Agent. In case of bid by authorized dealer/distributor/Indian Agent, the manufacturer authorization should be attached with the technical bid as per **Annexure-‘D’**.

**One Indian Agent can participate in a tender on behalf of one manufacturer only. No offer will be entertained if the same Indian Agent is representing another manufacturer for the same item.**

b) In case a bidder is not doing business within India, it shall furnish the certificate to the effect that the bidder is or will be represented by an agent in India equipped and able to carry out the supply, maintenance, repair obligations etc. during the warranty and post-warranty period or ensure a mechanism at place for carrying out the supply, maintenance, repair obligations etc. during the warranty and post-warranty period.

c) The bidder shall bear all costs associated with the preparation and submission of its bid irrespective of the conduct or outcome of the bidding process.

d) The bidder should not indulge in any corrupt, fraudulent, collusive, coercive practices during the entire process of procurement and execution of contract/order.

e) Before the deadline for submission of the bid, IISER PUNE reserves the right to modify the bidding document and to extend or not to extend the date of submission. Such amendment/modification will be hosted on e-Procurement portal (<https://eprocure.gov.in/eprocure/app>) or on IISER PUNE website.

f) Conditional tenders will be summarily rejected.

### **2. Delivery Period / Timeliness:**

The deliveries & installation must be completed **within 120 Days** after placement of purchase order/ after opening of LC. The time is the essence of the contract. It is mandatory for the BIDDERS who respond to this bid to meet these expectations, as are tightly linked to IISER, PUNE's plans of completing the project within the time frame.

### **3. Security Deposit:**

3.1 Within fifteen (15) days of the award of contract, the vendor shall furnish a Security Deposit amounting to 3% of the purchase order value in the form of Demand Draft/Bank Guarantee **(from scheduled Bank only)** favoring the Director, Indian Institute of Science Education and Research, Pune.

3.2 The IISER will forfeit the 3% security deposit if vendor fails to execute the order as per the Purchase Order. This Security Deposit will be refunded to the vendor only on successful installation of the EQUIPMENT / SYSTEM.

3.3 The Security Deposit should be valid for a period of warranty period as we plan to extend the same as Performance Bank Guarantee.

3.4 **Bank Guarantee wherever mentioned in this document may be read as “Bank Guarantee from any Scheduled Bank” only.**

### **4. Amalgamation/Acquisition etc.:**

In the event the Manufacturer/Supplier proposes for amalgamation, acquisition or sale of its business to any firm during the contract period, the BUYER/Successor of the Principal Company are liable for execution of the contract and also fulfillment of

contractual obligations i.e. supply, installation, commissioning, warranty, maintenance/replacement of spares accessories etc. while submitting your bid, you may confirm this condition.

**5. Bid Validity Period:**

- 5.1. The prices must be valid at least for a period of **180 days** from the date of opening of the Tender. No changes in prices will be acceptable in any condition after opening of tender till the validity of the offer or execution of the order whichever is later.
- 5.2 IISER, PUNE may ask for the BIDDER's consent to extend the period of validity. Such request and the response shall be made in writing only. The BIDDER is free not to accept such request without forfeiting the EMD. A BIDDER agreeing to the request for extension will not be permitted to modify his bid.
- 5.3 Bid evaluation will be based on the bid prices without taking into consideration the above corrections.

**6. AWARD OF CONTRACT:**

**Award Criteria**

- 6.1 IISER, PUNE shall award the contract to the technically qualified eligible BIDDER whose bid has been determined as the lowest evaluated commercial bid.
- 6.2 If more than one BIDDER happens to quote the same lowest price, IISER, PUNE reserves the right to award the contract to more than one BIDDER or any BIDDER.

**7. IISER Pune Right to vary Quantities at the time of Award:**

- 7.1. The IISER Pune reserves the right at the time of Contract award to increase or decrease the quantity of goods and services originally specified in the tender document without any change in unit price or other terms and conditions. Further, at the discretion of the IISER Pune, the quantities in the contract may be enhanced by 25% within the delivery period.
- 7.2. Firms which have already supplied similar equipment to IISER, PUNE and have not completed required installation/commissioning/after sales service/warranty replacements etc. such firms offers will not be considered for further evaluation and no enquiries thereafter will be entertained.

**8. Cargo Consolidation and Customs Clearance:**

IISER, PUNE has appointed its own Freight Forwarder and Custom House Agent for all IISER, imports. Please note that all the consignments have to be routed through their associates only. The address and contact details will be provided at the time of placing the Purchase Order. While submitting your bid, you may confirm this condition.

**9. Fraud and Corruption:**

The IISER Pune requires that bidders, suppliers, contractors and consultants, if any, observe the highest standard of ethics during the procurement and execution of such contracts. In pursuit of this policy,

- (a) The terms set forth below are defined as follows :

- (i) **“Corrupt practice”** means the offering, giving, receiving, or soliciting, directly or in directly, of anything of value to influence the action of a public official in the procurement process or in contract execution;
- (ii) **“Fraudulent practice”** means a misrepresentation or omission of facts in order to influence a procurement process or the execution of a contract;
- (iii) **“Collusive practice”** means a scheme or arrangement between two or more bidders, designed to establish bid prices at artificial, noncompetitive levels; and
- (iv) **“Coercive practice”** means harming or threatening to harm, directly or indirectly, persons or their property to influence their participation in the procurement process or affect the execution of a contract;

(b) The IISER Pune will reject a proposal for award if it determines that Bidder recommended for award has, directly or through an agent, engaged in corrupt, fraudulent collusive or coercive practices in competing for the Contract in question

10. **Interpretation of the clauses in the Tender Document / Contract Document**  
In case of any ambiguity / dispute in the interpretation of any of the clauses in this Tender Document, **Director, IISER, PUNE’s interpretation of the clauses shall be final and binding on all parties.**

### **CHAPTER - 3 :CONDITIONS OF CONTRACT**

#### **1. Prices:**

Bid prices should be filled in the appropriate format as mentioned in Price Schedule.

***ALL THE BIDDERS SHOULD QUOTE PRICES FOR EACH AND EVERY ITEM SEPERATELY ALONG WITH THE CONSOLIDATED PRICES APPLICABLE FOR BOTH INDIGENOUS AND IMPORTED ITEMS.***

#### **For Goods manufactured in India Bidders Quoting in Indian Rupees (INR)**

(i) The price of the goods must be as per the BoQ.

(ii) The rate of GST applicable to IISER Pune is 5% for the items procured for Research purpose as per Notification No. 45/2017-Central Tax (Rate) New Delhi, 14th November, 2017 and Notification No. 47/2017-Integrated Tax (Rate) New Delhi, 14th November, 2017

(iii) The price mentioned in BoQ must be inclusive of transportation, Insurance, loading and unloading and any other local service required for delivering the goods for the desired destination as decided by IISER Pune. Loading and unloading is strictly in vendor scope. IISER Pune will not provide any manpower support towards the same.

(iv) The installation, commissioning and training charges (If any) must be mentioned as per the BoQ (if requested separately in BoQ) else the price quoted will be taken as inclusive of installation, commissioning and training.

(v) The institute will not be responsible in case of the bidders failing to include any of the above mentioned prices in their bid. The price mentioned in the BoQ will be final and the bidder has to comply with that, if awarded the tender.

(vi) Unloading of the goods at IISER Pune is strictly in the scope of the bidder, no manpower will be provided by IISER Pune.

**A. We are exempted from payment of Customs Duty under notification No.51/96 dated 23.07.1996. Customs Duty, if any, should be shown separately. No other charges than those mentioned clearly in the quotation will be paid.**

#### **2. Bank Charges:**

**All Bank charges inside India, including opening of LC, to IISER, PUNE Account and outside India to Beneficiary's Account only. In case the BIDDER seeks confirmation of LC such confirmation charges are to the Beneficiary's account. This may please be noted and confirmed.**

#### **3. Agency Commission & Services:**

3.1. The Agency commission payable in Indian currency only after the receipt of consignment in good condition at our Stores and satisfactory installation and commissioning of the ordered equipment.

3.2. Details of services rendered by you as well as after-sales services offered by you are to be made clear in the tender.

#### **4. Performance Bank Guarantee:**

The 3% Security Deposit which is mentioned above may be extended as Performance Bank Guarantee for a period of warranty period.

5. **Performance Benchmarks:**

The technical evaluation committee needs to be provided with an evaluation system to carry out performance benchmarks.

6. **Pre-installation:**

The BIDDER has to state in detail the Electrical Power/UPS requirements, floor Space, head room, foundation needed and also to state whether Air-conditioned environment is needed to house the system and to run the tests. i.e. pre-installation facilities required for installation may please be intimated in the technical bid. Subsequently, before the consignment lands in IISER, Pune the BIDDER shall confirm that the pre-installation requirements are sufficient for installation of the equipment. In other words the BIDDER should continuously monitor the pre-installation requirements and see that everything is ready before the consignment is taken to the site for installation.

7. **INSTALLATION:**

- 7.1 BIDDER shall be responsible for installation / demonstration wherever applicable and for after sales service during the warranty and thereafter.
- 7.2. Installation demonstration to be arranged by the supplier free of cost and the same is to be done within 15 days of the arrival of the equipment at site.
- 7.3. After successful installation what will be the minimum down time of equipment/instrument in case of breakdown. If the identified firm or person fails to put the system into working condition what is the further alternative course of action suggested by you to adhere to minimum down time.

8. **INSPECTION:**

- 8.1 The inspection of the system will be done by our technical expert /Scientist in the presence of firm's representative.
- 8.2 In case of receipt of the material in short supply or damaged condition the supplier will have to arrange the supplies/ replacement of goods free of cost pending the settlement of the insurance case wherever applicable on FOR at the IISER. Or CIF basis till satisfactory installation of the system.
- 8.3 The supplier **should arrange for physical inspection of the items directly or through their authorized representative within seven days of arrival of the consignment failing which they will be responsible for the losses.** After the shipment is effected, the supplier/its representative/Indian agents must remain in touch with the lab/instit. to ascertain the date of arrival of consignment.

9. **Training:**

Wherever needed, Our Scientist/Technical persons should be trained by the supplier at the project site free of cost. In case the person is to be trained at supplier's site abroad or in India it should be mentioned in the quotation clearly. The supplier should bear all the expenses for such training including 'to & fro' fares and lodging & boarding charges.

10. **Warranty / Support:**

- 10.1. The items covered by the schedule of requirement shall carry minimum **Five years of comprehensive warranty** from the date of acceptance of the equipment by IISER, PUNE. Warranty shall include free maintenance of the whole equipment supplied including free replacement of parts. The defects, if any, shall be attended to on immediate basis but in no case any defect should prolong for more than 24 hours. The comprehensive warranty includes onsite warranty with parts.

- 10.2. The defects, if any, during the guarantee/warranty period are to be rectified free of charge by arranging free replacement wherever necessary. This includes cost, insurance, freight, custom duty, octroi, local taxes if any should be borne by the beneficiary or his agent. A clear confirmation should be given for this item.
- 10.3. The warranty on the associated software should cover providing of upgraded version/s, if any, released during the warranty period free of cost.
- 10.4. The BIDDER shall assure the supply of spare parts after warranty is over for maintenance of the equipment supplied if and when required for a period of 10 years from the date of supply of equipment on payment on approved price list basis.
- 10.5. The equipment must be supported by a Service Centre in India manned by the principal vendor's technical support engineers. The support through this Centre must be available 24 hours in a day, seven days a week and 365 days a year. Also it should be possible to contact the Principal's vendor support Centre on a toll free number/web/mail.
- 10.6. An undertaking from the manufacturer is required in this regard stating that they would facilitate the BIDDER on regular basis with technology / product updates & extend support for the warranty as well.
- 10.7. The vendor will have to arrange for all the testing equipment & tools required for installation, testing & maintenance etc.
- 10.8. The principal vendor must have a local logistics support by maintaining a local spares depot in the country of deployment of the equipment. This is to ensure immediate delivery of spares parts from Principal Vendor of equipment to its channel partner/system integrator.
- 10.9. Details of onsite warranty, agency who shall maintain during warranty and undertake Annual Maintenance Contract/Comprehensive Service Maintenance Contract beyond warranty shall be given in the offer. In case of foreign quote, the Indian Agent who shall maintain during warranty and AMC beyond warranty shall be given in the Technical Offer.
- 10.10 **COMMENCEMENT OF WARRANTY PERIOD:**  
The warranty period of an item shall commence after receipt of the items in good working condition and from the date of its satisfactory installation/commissioning/demonstration at the project site in IISER,, Pune. The warranty period and validity of Performance Guarantee shall be extended for the period of delay in satisfactory installation and delay in warranty services.
11. **Reasonability of Prices:**
  - 11.1 Please quote best minimum prices applicable for a premiere Educational and Research Institution,
  - 11.2 The party must give details of identical or similar equipment, if any, supplied to any IITS/IISERS/ CSIR lab/Education Research Institute during last three years along with the final price paid and Performance certificate from them.

12. **Annual Maintenance Contract:**
  - 12.1. The party must mention in the quotation, the rate/amount of annual maintenance charges, if we opt for maintenance contract after expiry of the warranty period. This is mandatory to mention, wherever applicable.
  - 12.2. No sub-contracting will be allowed for installation or maintaining system/ equipment / instrument during or after warranty period.
13. **Indemnity:**

The vendor shall indemnify, protect and save IISER, PUNE against all claims, losses, costs, damages, expenses, action suits and other proceeding, resulting from infringement of any law pertaining to patent, trademarks, copyrights etc. or such other statutory infringements in respect of all the equipments supplied by him.
14. **Freight & Insurance:**
  - 14.1. Imports: In case of imports the freight & insurance will be paid by IISER, PUNE, as the consignments are shipped through the IISER, PUNE nominated freight forwarder (applicable only cases of FCA/FOB shipments).
  - 14.2. Indigenous : The equipments to be supplied will be insured by the vendor against all risks of loss or damage from the date of shipment till such time it is delivered at IISER, PUNE site in case of Rupee transaction.
15. **Payment: - No advance payments are allowed under any circumstances.**
  - A) INDIGENIOUS

Payment will be made directly to the suppliers by RTGS/NEFT after receipt of the goods, tested /inspected and found satisfactory with regard to quality, quantity, and specifications ordered for and after satisfying that the terms and conditions of supply have been fulfilled.
16. **Penalty for delayed Services / LD:**
  - 16.1. As time is the essence of the contract, Delivery period mentioned in the Purchase Order should be strictly adhered to. Otherwise the IISER will forfeit EMD/ SD and also LD clause will be applicable /enforced.
  - 16.2. If the supplier fails to Supply, Install and Commission the system as per specifications mentioned in the order within the due date, the Supplier is liable to pay liquidated damages of 1% of order value per every week of delay subject to a maximum of 3% beyond the due date. Such money will be deducted from any amount due or which may become due to the supplier.
  - 16.3. IISER, PUNE reserves the right to cancel the order in case the delay is more than 10 weeks. Penalties, if any, will be deducted from the Security Deposit.
17. **Jurisdiction:**

The disputes, legal matters, court matters, if any, shall be subject to Pune Jurisdiction only.
18. **Comparison of Bids**

The Purchaser shall compare all substantially responsive bids to determine the lowest evaluated bid.
19. **Public Procurement (Preference to Make in India), Order 2017:**

**This Institute is following and abide with the Public Procurement (Preference to Make in India), Order 2017, DIPP, MoCI Order No. P-45021/2/2017-B.E.II dated 15th June 2017 and 4<sup>th</sup> June, 2020 and subsequent amendments to the order. Accordingly, preference will be given to the Make in India products while evaluating the bids, however, it is the sole responsibility of the bidder(s) to specify the product quoted by them is of Make in India product along with respective documentary evidence as stipulated in the aforesaid order in the technical bid itself.**

a) IISER Pune shall compare all substantially responsive bids to determine the lowest valuated bid. This Institute is following and abide with the Public Procurement (Preference to Make in India), Order 2017, DIPP, MoCI Order No. P-45021/2/2017-B.E.II dated 15th June 2017 and its subsequent amendments. Accordingly preference will be given to the Make in India products while evaluating the bids, however, it is the sole responsibility of the bidder(s) to specify the product quoted by them is of Make in India product along with respective documentary evidence as stipulated in the aforesaid order in the technical bid itself.

b) As per the above order and its subsequent amendments "Local Content" means the amount of value added in India which shall be value of the item procured (excluding net domestic indirect taxes) minus the value of the imported content in the item (including all the custom duties) as a proportion of the total value, in percent. Accordingly the suppliers will be classified in following categories.

- i) Class I local Supplier – has local content equal to more than 50%
- ii) Class II local Supplier – has local content more than 20% but less than 50%
- iii) Non –Local Supplier – has local content less than or equal to 20%

**C) Verification of Local Content:** The Class I Local Supplier /Class II Local Supplier/Non-Local Supplier at the time of bidding shall be required to indicate the percentage of local content and provide self-certification that the items offered meet the local content requirement. The details of the location(s) at which the local value addition is made also needs to be specified.

In case of procurement in excess of Rs.10 crores, the suppliers shall be required to provide the certificate from the statutory auditor or cost auditor of the company giving the percentage of local content.

**The bidders can be debarred for a period up to two years as, per Rule 151(iii) of GFR 2017, in case of false declaration.**

**20. Requirement of registration:** Vide Ministry of Finance OM No. 6/18/2019-PPD dated 23rd July 2020.

- i. Any bidder from a country sharing a land border with India will be eligible to bid in this tender only if the bidder is registered with the Department for Promotion of Industry and Internal Trade (DPIIT).
- ii. "Bidder" (including the term 'tenderer', 'consultant' or 'service provider' in certain contexts) means any person or firm or company, including any member of a consortium or joint venture (that is an association of several persons, or firms or companies), every artificial juridical person not falling in any of the descriptions of bidders stated hereinbefore, including any agency branch or office controlled by such person, participating in a procurement process.

- iii. "Bidder from a country which shares a land border with India" for the purpose of this Order means:
- a) An entity incorporated, established or registered in such a country; or
  - b) A subsidiary of an entity incorporated, established or registered in such a country; or
  - c) An entity substantially controlled through entities incorporated, established or registered in such a country; or
  - d) An entity whose beneficial owner is situated in such a country; or
  - e) An Indian (or other) agent of such an entity; or
  - f) A natural person who is a citizen of such a country; or
  - g) A consortium or joint venture where any member of the consortium or joint venture falls under any of the above

For details about registration procedures please visit the above mentioned OM. Mandatory documentary evidence regarding the bidder's registration with DPIIT is to be submitted along with the tender, failing which the tender shall be liable for rejection. Bidders are also requested to submit the Model Certificates as per Annexure-'I' for this tender as mentioned in the Ministry of Finance OM No. 6/18/2019-PPD dated 23rd July 2020.

21. **Force Majeure:**

The Supplier shall not be liable for forfeiture of its performance bank guarantee, liquidated damages or termination for default, if and to the extent that, its delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure. For purposes of this Clause, "Force Majeure" means an event beyond the control of the Supplier and not involving the Supplier's fault or negligence and not foreseeable. Such events may include, but are not limited to, acts of the IISER Pune either in its sovereign or contractual capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes.

If a Force Majeure situation arises, the Supplier shall promptly notify the IISER Pune in writing of such conditions and the cause thereof. Unless otherwise directed by the IISER Pune in writing, the Supplier shall continue to perform its obligations under the contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.

22. **Dispute Settlement:**

IISER Pune and the Supplier shall make every effort to resolve amicably by direct informal negotiation any disagreement or dispute arising between them under or in connection with the Contract.

If, after twenty-one (21) days, the parties have failed to resolve their dispute or difference by such mutual consultation, then either the IISER Pune or the Supplier may give notice to the other party of its intention to commence arbitration, as hereinafter provided, as to the matter in dispute, and no arbitration in respect of this matter may be commenced unless such notice is given. Any dispute or difference in respect of which a notice of intention to commence arbitration has been given in accordance with this Clause shall be finally settled by arbitration. Arbitration may be commenced prior to or after delivery of the Goods under the Contract.

The dispute settlement mechanism/arbitration proceedings shall be concluded as under:

- (a) In case of Dispute or difference arising between the IISER Pune and a domestic supplier relating to any matter arising out of or connected with this agreement, such disputes or difference shall be settled in accordance with the Indian Arbitration & Conciliation Act, 1996, the rules there under and any statutory modifications or re-enactments thereof shall apply to the arbitration proceedings.

The dispute shall be referred to the Director IISER Pune, if he is unable/ unwilling to act, to the sole arbitration of some other person appointed by his willing to act as such Arbitrator. The award of the arbitrator so appointed shall be final, conclusive and binding on all parties to this order.

- (b) In the case of a dispute between the Purchase and a Foreign supplier, the dispute shall be settled by arbitration in accordance with provision of sub-clause (a) above. But if this is not acceptable to the supplier then the dispute shall be settled in accordance with provisions of UNCITRAL (United Nations Commission on International Trade Law) Arbitration Rules.
- (c) The venue of the arbitration shall be the place from where the purchase order or contract is issued.

Assistant Registrar (S&P)

**CHAPTER 4**  
**SCHEDULE OF REQUIREMENTS, SPECIFICATIONS & ALLIED TECHNICAL DETAILS**

**Fully Motorized high-end operational Fluorescence Live cell workstation.**

S. No.	Technical Requirement	Marks
1.	<p><b>Inverted Frame:</b> Motorized Ergonomic Stand with inbuilt Z-focus drive with minimum step resolution of 10 nm or better. The system should have a dedicated vibration free external TFT/LCD/TAB touch screen capable of controlling all motorized functions of the microscope including XY stage and drift compensator for continuous autofocus &amp; one touch autofocus. The system should have an IR (&gt;790nm) based Laser/Led focus drift control module for long term in-focus time lapse imaging. The drift compensator should be working for glass and plastic bottom dishes and slides. The frame should support future upgradable mortised TIRF &amp; Spinning Disc system from same manufacturer for better compatibility and better post sale support. The system should have an inbuilt free second deck/stratum structure with ready to use infinity port/space as part of the system for additional custom laser introduction. The frame should have an easy drainage system to avoid any leakage of media seepage into the optical path.</p> <p><b>Transmitted Light system:</b> Bright LED transmitted Illumination for Phase and DIC with intensity control through touch panel and imaging software.</p> <p><b>Condenser:</b> Motorized Universal Condenser (suitable for all microscopy techniques such as Phase, DIC) with 7 slots. It should have Phase rings and DIC prisms and blank position for BF.</p> <p><b>Eyepiece:</b> Tiltable binocular head with 10X F.O.V 22 or better eye pieces-2 nos.</p> <p><b>Nosepiece:</b> Six positions motorized revolving nosepiece with Slot for DIC Slider to accommodate objectives of different magnifications.</p> <p><b>Objectives :</b> High performance Objectives suitable for Brightfield/Phase Contrast and Fluorescence Observation</p> <ol style="list-style-type: none"> <li>1. Plan fluorite 10X and 40 X Dry</li> <li>2. 60X Plan Apo 1.42 or better Oil Phase &amp; DIC</li> <li>3. 100X Plan Apo 1.45 or better Oil Phase &amp; DIC</li> </ol> <p>Both 60X and 100X objectives must be chromatically corrected from 400-1000nm for aberration shift-free multi colour XYZ imaging for precise colocalization studies.</p> <p><b>Stage:</b> Linear encoded motorized ultrasonic transducer based XY scanning stage for precise multipoint/multi well imaging and seamless stitching of large specimens. The XY stage should accommodate stage inserts for on stage CO<sub>2</sub> incubator/heating plate. The stage incubator should accommodate glass slides, 96 well plate, 35 mm dish, 60 mm dish</p>	25

	and chambered slide for multi well multipoint live cell imaging and automated stitching in XYZ and multichannel mode. The Laser based auto focus module should be able to automatically recognize and register the focus and offset for all the 96 well and perform multipoint imaging for high content imaging studies. The imaging software should have both intensity based/software autofocus and laser based autofocus capability.	
2.	<b>On stage warm plate:</b> Metallic on stage thermal plate with active heating and cooling capability from 4-60 °C (adjustable) with digital control and an objective heater to avoid any heat seepage from the specimen while using oil immersion objective. On stage warm plate should have seating/groove for to accommodate slides, microfluidic devices, 35mm/60mm culture dish and should have firmly holding clamps.	5
3.	<b>Fluorescence Module:</b> 8 position Motorised turret filter block with narrow bandpass notch filters for i) DAPI, ii) GFP, iii) Tx-red/mCherry (iv) CFP (v) YFP and (vi) polarizer cube for DIC. An additional dual band DM & Emission filter with independent single band pass excitation/clean up filter for, GFP and mCherry for fast sequential imaging of GFP & mCherry. Additionally quote for a dedicated single band pass excitation filters for 405/20 (Ex) and 480/30(Ex), Dual reflection (405, 488nm) DM/ 505(BS) and 535/40 band pass emission filter with 3 additional empty filter cubes. Optionally quote for a fast emission filter wheel and GFP and mCherry emission filters for synchronized fast imaging fast ratio/ FRET/ dual colour imaging.  The system should include module for simultaneous imaging of two colours by splitting the camera chip in horizontal or vertical direction. It should have option to insert suitable filters to split the wavelengths of GFP/RFP, CFP/YFP and CY3/CY5 and the filters for the same should be provided.	16
4.	<b>Fluorescence Light Source:</b> A 16 line independent LED Light Array modules (LAMs) covering 365, 385 405, 445, 473/488, 515, 561, 594, 640 nm and 770 nm should be offered with an ability to introduce clean up filters. Stable long-lasting LED/solid state light source with a guaranteed lifetime of minimum 20,000 Hrs. The light source should support excitation of DAPI, FITC, GFP, TRITC, mCherry, Cy5, Cy7 , CFP and YFP. A remote touch pad to control all the individual line should be provided. The light source should be controlled by imaging software and must have a built-in trigger board for each line and slider slot for excitation/clean up filter for individual wavelength for fast sequential imaging with a real-time control board that triggers individual lines and the camera in parallel mode. The light source should be controlled by imaging software for switching individual LED lines, for electronic shutter and attenuating the LED light intensity during multidimensional image acquisition.	15
5.	<b>Real-time Controller:</b> The real-time control board should work in parallel with all the motorised components must move in parallel	7

	<p>during the camera read out time, minimise the software jitter ,decrease the dead time of interval and photobleaching/phototoxicity. The real time controller (RTC) should be from the same manufacturer for precise synchronised image acquisition. The RTC should be able to trigger LED light source, camera, piezo devices, filter wheels and fast shutters. It should also be able to accept or send out triggers from multi-channel microfluidic devices for synchronised acquisition. The RTC should have minimum 23 TTL digital I/O ports to control various hardware and 18 analog output ports and a dedicated camera trigger port. The device should be able to control laser combiners, spinning disc confocal scanner, laser based FRAP and or TIRF system for future upgradation. Imaging software of the microscope manufacturer should be completely integrated with an appropriate driver to control and design complicated experiments with drag and drop function of all the desired hardware, pause the experiments during FRAP/microfluidic applications etc ( JOBS/JOURNALS/GEM/Experiment designer) modules.</p>	
7.	<p><b>Software:</b> The imaging software should have the following features/modules:</p> <p><b>Hardware control:</b> All the motorized components of the hardware including XY stage for multi-point and mosaic imaging, hardware based autofocus module, Emission filter wheels for fast sequential imaging, LED light source for intensity and fast shutter control for multi-channel imaging, third party SCMOS cameras for high speed ratio imaging, third party TTL/triggered device control, DAQ card control for external light sources/lasers and perfusion systems, on stage CO2 incubator and other upgradable hardware modules such as TIRF, FRAP, confocal and super resolution systems for future upgradation.</p> <p><b>Image Acquisition Modules:</b> Multipoint, multidimensional (XYZT) 6D imaging &amp; display. Over lay of imaging, mark and find for multipoint and mosaic imaging, Realtime stitching of large samples with higher magnification, Multipoint and multi Well assay editors imaging with hardware based autofocus. Online ratio imaging/physiology with online display of ratio image, real time intensity plot over time and over depth. Online/real-time deconvolution. Modules to perform design and execute complicated experiments through drag and drop functions (Graphical experimental manager/Jobs/journals/experiment designer etc. High Dynamic Range Imaging, Instant Extended focal imaging, simultaneous imaging of two channels with image splitters and multiple cameras, real time/instant EDF</p> <p><b>Image processing Modules:</b> Brightness contrast adjustment, morphological filters, Extended focal imaging. High dynamic range</p>	12

	<p>imaging, 3 D deconvolution (PSF fitting for all the modalities such as widefield, confocal, spinning disc and multiphoton images). The 3D deconvolution should also be able to import and calibrate third party 3D images for further deconvolution. It should also allow user to generate realistic PSF using sub resolution fluorescence beads for precise deconvolution. Fluorescence spectral unmixing (to remove the autofluorescence/overlapping dyes) Macro creation editing and batch conversion/processing of large data sets. Object classifier/ intensity based automatic segmentation, The software and native image format should be bio format &amp; open microscopy environment (OME) compatible to import/export and access metadata with open-source image analysis platform such as imageJ and Fiji to utilize the freely available image processing/image analysis plugins. The software should allow batch processing of large data sets with an ability to write and execute macros.</p> <p><b>Image Analysis:</b> multidimensional intensity measurement and data export to EXCEL format for further statistical analysis. Colocalization analysis with scatter plot display and statistical analysis, FRET and FRAP analysis, spatiotemporal measurement modules. 3D/volume rendering orthogonal slice view of 3D stacks. Calcium/Physiology/Ratio analysis module, background subtraction/correction, bleaching correction, cell count and confluency measurements etc.</p> <p><b>Note: Any optional/add on module mentioned in the software brochure should be quoted with respective part code for better clarity and to avoid confusion fair evaluation.</b></p>	
8.	<p>The system should be onsite upgradable to Galvo based with multi ROI capable laser based Laser FRAP module having 405 and 488 nm laser (50-100 MW). The FRAP module should be controlled by the same imaging software and from the microscope manufacturing company for better compatibility, synchronization and post-sale support. The same should be quoted in option. The system should be onsite upgradable to laser based dual disc spinning disc confocal microscope with real time hardware based super resolution capabilities down to 120 nm in XY.</p>	5
9.	<p><b>Antivibration table:</b> Appropriate active metallic antivibration table to fit the entire microscope (1200x 900mm) with a M6 holed bread board and automatic air compressor and interconnected metallic legs.</p>	3
10.	<p><b>Workstations for acquisition and analyses:</b> Branded Data processing unit with Xenon processor with Intel Xeon, 3.5-5 GHz for high-speed image acquisition: Quad Core 128 GB RAM, DVD Writer, 4TB HDD, 512 GB SSD. Graphic card with separate Nvidia graphics memory (4GB or better). PCI-Express x1. Accessories to integrate third party devices. The system should be compatible with</p>	7

	<p>PCIe board. Original Window 10 Operating System (64 Bit), LED Monitor 32 inch. UPS 2 KVA with 30 Minutes back up.</p> <p>Additional workstation with similar configurations, as above, for offline analysis should be provided. Both systems should be accompanied with 32 inch, or better, 4K HDR10 monitors. The PC should be compatible to install and run offline software such as ImageJ Fiji and offline Metamorph software. A laserjet colour printer should be provided with the system.</p>	
11.	A simple compound binocular microscope with Phase contrast and Plan Acromat 40X and 100X Phase objective with built-in Led illumination should be provided and the installation and local support and warrantee be given by the same microscope vendor.	5
12.	<p><b>Camera (Optional) :</b> The digital SCMOS camera with pixel array of 2048x2048 Pixel size of 6.45 micron, 82% QE @ 560nm, dynamic range of 37,000, with a maximum frame rate of 100FPS at full field of view @ 16 bit with cam link card., dark current &lt;0.06 with air cooling and 0.006 with (-30 degree). The camera should be Peltier cooled to -10 degree and should reach to -30 with water cooling. The camera should be controlled by the microscope software and support two channel split imaging mode for two channel simultaneous imaging for ratio, FRET imaging. The camera should have good sensitivity at far red (700-750nm) region 60-70%. The camera should be suitable for fast live cell imaging and TIRF and Light Sheet illumination imaging capabilities for future upgradation.</p>	-
13.	<b>Warranty:</b> 5 years.	-

**Minimum marks for qualification : 90%**

### CHAPTER-5 PRICE SCHEDULE

The Bill of materials must be included in the technical offer as well as commercial offer. **However the Technical offer should not contain any price information.**

**ALL THE BIDDERS SHOULD QUOTE THEIR OFFER IN FOLLOWING FORMAT FOR UNIFORMITY**
