TECHNICAL AND COMMERCIAL QUERIES AND CLARIFICATION

**PRE-BID CONFERENCE FOR PROCUREMENT OF STEM EDUCATION KITS**

S. No.	Query/Clarification Sought	Clarification / Amendment
1.	A clarification is requested regarding Annexure B, as some descriptions appear to contain partial or incomplete information.	The apparent partial descriptions are due to text wrapping in the document formatting. Bidders are requested to carefully review Annexures B and C, as appended below.
2.	Clarification regarding the Activity Booklet: Whether the activities can be fully designed by the bidder's team or should be developed in collaboration with the IISER team.	The activities have already been designed and developed by the iRISE team at IISER Pune. As per the tender, the bidder's responsibility is limited to printing the activity booklet in accordance with the tender document.
3.	The bidder is an MSME, but the items in the Innovative STEM Education Kit are not manufactured by the bidder. Clarification requested on EMD exemption eligibility.	The EMD exemption applies only to manufacturers of the offered products. As per the Office Memorandum F. No. 1(2)(1)/2016-MA, benefits under the Public Procurement Policy for Micro and Small Enterprises (MSEs) are not extended to traders or agents. Trading enterprises do not qualify as micro and small enterprises under the definition for availing these benefits. Therefore, the EMD exemption is not applicable in this case.
