Prologue

An open tender notice was issued on CPP portal and institute's website on 21/04/2021 for the procurement of Monochromator and EMCCD under two-bid system. A pre-bid meeting with the vendors was arranged on 04/05/2021 at IISER Pune.

No agencies submitted any pre-bid enquiries. Representative of only one vendor participated in the pre-bid meeting and they were ok with the revised specs.

1) Laser Spectra Services Pvt Ltd on behalf of their Principal Horiba Jobin Yvon.

Analysis & Recommendations

That vendor had initially requested for an extension of bid submission dates due to this ongoing pandemic related closures etc. The committee discussed these issues and then agreed to extend the last date of bid submission. However, the same vendor informed us today that they no longer need an extension. So the original dates as per the GTE on 21st April remains valid.
